“We are pleased to announce RCR’s plans to conduct a property-for-share swap for prime malls and offices. Our fund manager, RL Fund Management, Inc., has identified the assets that will maximize the additional value delivered to our shareholders. RLC will subscribe to 4,987,641,178 primary common shares of RCR at a price of ₱6.80 per share, equivalent to a total valuation of Thirty-Three Billion Nine Hundred Fifteen Million Nine Hundred Sixty Thousand Pesos (₱33,915,960,000.00), as supported by a third-party fairness opinion. The property-for-share swap shall be subject to the approval of pertinent regulatory bodies and shall be presented for approval in the special stockholders’ meeting of RCR scheduled on July 15, 2024, to be completed within the year 2024.

After the infusion, RCR will remain as the Philippine REIT with the widest geographical reach, with assets in eighteen (18) key locations.

Further, as an expansion of RCR’s portfolio of green-certified assets, Giga Tower has been awarded the Leadership in Energy and Environment Design (LEED) Gold certification in the first quarter of 2022, and Cybergate Delta 2 was able to obtain its Excellence in Design For Greater Efficiencies (EDGE) certification in the first quarter of 2024.

RCR will execute the Deed of Assignment with RLC and submit the application to the SEC after obtaining stockholder approval. Revenues shall accrue to RCR starting on April 1, 2024, subject to the approval of the stockholders and pertinent regulatory bodies. The company targets to secure regulatory approvals for the property-for-share swap within the year.

RCR has posted stable financial results in the first quarter of 2024, with total unaudited revenues amounting to ₱1.43 billion. Net income for the quarter amounted to ₱1.12 billion, which translates to a net income margin of 79%.
